of multiple discrimination.

Throughout

Videos: *"I hope in 10 years' time"* — Since the UN CRPD came into
effect 10 years ago, the lives of many deaf children and young people
have changed for the better at home, at school and in the community.
But there is still more to do.
Our video messages from deaf people from all over the world will
share what changes they hope to see in 10 years' time.

The European Disability and Development Week is an initiative of the International Disability and Development Consortium

With support of IDDC members CBM, EU-CORD, Handicap International, Light for the World, National Deaf Children's Society (NDCS) – Deaf Child Worldwide and Save the Children, along with partners EDF, ENIL, and the Society of Social Psychiatry and Mental Health.
